Please remember that this is not a complete list of medications covered under your plan. Because there are thousands of medications included in your pharmacy benefit, we only list the most common ones. Certain drug such as those for smoking cessation drug may not be covered by your particular pharmacy plan. Diabetic or asthma supplies may be covered under your medical plan. If you have any questions about your pharmacy benefit, please visit Aetna's secure website at [www.aetna.com](http://www.aetna.com). If you don't have access to our website, call the Member Services number on your ID card. Preventive Medications List 2011
